LIGHTWEIGHT**

So it won't weigh
you down

Gusto – the only caravan cleaning device you'll ever need

Gusto is the latest innovation to hit the caravan, RV and camper trailer industry. This revolutionary, air-powered caravan cleaning device is a cross between a blower and bannister brush, effectively cleaning dirt, grass and dust off your shoes and feet with a simple swipe of a hand.

Say goodbye to the clunky and messy cleaning systems of the past.

This purpose-built, handheld caravan blower can be seamlessly recessed into any caravan, RV or camper trailer model, ready for easy access and use. The slimline unit is powered by a 12-volt battery (not included) with no recharging necessary. Operated by a simple swipe of a hand for automatic use.

Air-powered, water-free cleaning for ultimate reliability.

Keep the dirt, dust and sand out of your van with **Gusto**

Gusto is a revolutionary caravan cleaning device that cleans the dirt, dust and sand off your feet and shoes before you enter your van. It harnesses the cleaning combination of a blower and bannister brush in one to create an effective and reliable cleaning solution for travellers.

CUSTOM-BUILT TO FIT ALL MAKES & MODELS

The custom-built, slimline device seamlessly recesses at the entry point to your van, camper trailer or RV vehicle and hooks up to your existing 12v power source. Includes a mounting hook to hang the handle and hose in a convenient location whilst parked and a lockable door to protect from the elements when on the move.

SIMPLE TO USE SYSTEM

This simple to use, sensor operated system is suitable for both young children through to older travellers. Operated by the simple swipe of a hand for 30 seconds to gently and effectively clean debris from your shoes, feet and step to keep your van sparkling clean on the inside. No fiddly trigger systems – just swipe and away she goes. Enough pressure to clean effectively whilst being safe for use by children.
